AMENDMENT

Dear Sir:

In response to the Office Action of March 20, 2002, please amend the above-identified application as follows.

IN THE CLAIMS

Please amend the following claims. A marked up version of the claims is attached at Appendix A. Please cancel claim 19 and add new-claim-41-

An occupant restraint system comprising: 1. (Amended)

at least one modifier sensor that generates a modifier signal representative of either a positive condition to enable an occupant restraint system having at least an airbag assembly and a seat belt assembly or a negative condition to disable the occupant restraint system, said modifier signal disabling at least one of an airbag control or a seat belt control as soon as at least one
